Cliff,

There are two versions attached to your email. Which is the correct version we should review? Thanks.

I am very sorry, but it seems I sent out the wrong version of our CD revision (even after checking this repeatedly).

Attached is the correct version, with a real number plugged into Para. 57(e).

Please DELETE the version sent earlier today.

Thank you.

Wallace Yard CD revision

All:

Attached, Govts' latest revision of the Wallace Yard CD. All proposed changes (not many) should appear in redline/strikeout.

We look forward to discussing on the call in 40 minutes (2 pm PDT)
Obviously not expecting immediate reactions from RRs, just want to walk through ideas.

Sorry for the delayed transmittal here - actually thought I'd sent the revised draft last night.
